

# TOS 2018 Annual Meeting Continuing Medical Education Information for Learners

## Accreditation and Credit for Physicians

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) by The Obesity Society.

The Obesity Society is accredited by the ACCME to provide continuing medical education for physicians. The Obesity Society designates this live activity for a maximum of 21.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## Learning Objectives

1. Apply the latest recommendations for evaluation and treatment; tailor intervention strategies based on patient characteristics such as age or metabolic or behavioral phenotype; understand the differences between weight loss and weight loss maintenance.
2. Understand the evidence-based science regarding neuroendocrine, endocrine, microbiota and cognitive mechanisms regulating energy balance and body weight. Apply that knowledge to develop and implement treatment options for adults and pediatric patients with overweight, obesity or obesity-related co-morbidities.
3. Implement appropriate testing strategies for diagnosing adolescent and pediatric obesity, evaluate current treatment options and emerging therapeutics and provide care and treatment to adolescent and pediatric patients accordingly. Teach evidence-based strategies for obesity prevention in the pediatric and adolescent population.
4. Apply lessons learned about the impact of: nutrition and obesity initiatives to reduce health disparities, and federal nutrition and obesity policies on health disparities.
5. Apply new knowledge related to dietary intervention and physical activity from the perspectives of Metabolism and Integrative Physiology, Neuroscience, Intervention and Clinical Studies, Population Health, Clinical/Professional Practice, and Policy/Public Health.

- Incorporate knowledge about coding for reimbursement into the clinical practice of health care providers to support their ability to treat the underlying disease of overweight and obesity. Incorporate knowledge about best practices to develop and run effective clinics that treat overweight and obesity.

## Commercial Support

Educational grant in partial support of the conference was received from Baxter International, Inc.; The Olympus Corporation of the Americas; Rhythm Pharmaceuticals, Inc.; and W.L. Gore & Associates, Inc.

## Faculty and Planning Committee Disclosure Information

The Obesity Society asks all individuals involved in the development and presentation of Continuing Medical Education (CME) activities to disclose all relevant relationships with commercial interests. This information is disclosed to CME activity participants. The Obesity Society has procedures to resolve all conflicts of interest. In addition, faculty members are asked to disclose when any unapproved use of pharmaceuticals and devices is being discussed. TOS requires additional disclosures beyond the ACCME definition of a commercial interest, as indicated by an asterisk in the list below. These include food, weight loss, and supplement industry disclosures. In the list below, the nature of the relationship and company are followed by the industry of that company.
